### Virtue - Whakaute : Respect

Respect is one of the pillars of our core values to Nurture : Grow : Inspire

Whāngai : Whakatipu : Whakamanawa

Respect is a virtue which is "caught" rather than taught. Children learn respect as they experience it in their lives, from family, from friends, at school, when they play or families set the example for children to learn.

As a school community we endeavour to exemplify respect in our daily work. We have high expectations that the virtue of respect is honoured in school. It would be fair to say that our children measure up every day and demonstrate this virtue in the way they engage with others.

## SECOND HAND UNIFORM

We have second hand uniform available - proceeds to the PTA. Also if your child needs a kidscan jacket or shoes please let the office know.
