Kawanga Responsibility

Virtue - Kawanga : Responsibility
For the next two weeks we will focus on the virtue of Responsibility : Kawanga.
For a change children can draw a picture of something they do showing them acting responsibly eg. a job they do at home or school. Classes can collect and display these. Remember to put on a label on the picture. I will have some sets of coloured pencils as prizes.

Interschool Cross Country Training
A group of children will be selected this week for training for Interschool Cross Country at Tahuna Golf Course on Friday 25 June. Training will be held at Phillips' Farm at the top of Scott Road. The children will be transported in our school van. A separate notice has been sent home to those children involved. If you do not wish for your child to train please let the office know. Cross Country

We arrived at the Recreation Grounds. We got out of the bus and got into our waka colours. Mrs Pert called the ages to come up and do their cross country. My race was the second race. When my race was called I was nervous and very excited. Waimarino was at the front at the start. I went zooming in front when I got the hang of it. I got about 10 to 15 metres in front of all the other seven year old boys. I saw my Mum at the gate on the way past. Mrs Johnson said through the microphone "who are we cheering for?" I ran through the yellow flags and BOOM I came first by a lot! So did my brother Eli. I said inside my head, "I definitely did not get that from my Mum," and that was definitely true. I felt very proud of myself. I watched most of the other races.

By Patrick Briscoe, Year 3, Room 16.

Cross Country

I liked cross country because my Dad came. When it was my turn my knees shook. When

I was going to the starting line I had butterflies in my tummy but my Dad cheered for me. Then Mrs Johnson clapped the clappers and I ran as fast as I could but I came ninth place and I was proud of myself.
