## Hiranga Resilience

### Mid Year Report Evenings - Monday 5th July and Tuesday 6th July

This report evening provides an opportunity for parents and whanau to meet with their children's teachers and to share reports on how their children have been progressing and achieving at school over the first half of the school year.

Teachers will share their views on recent assessment information gathered, which is based on children's current work in relation to the NZ National Curriculum Levels 1-4. Parents will also be provided with an interim written report on their children's progress and achievement.

Children love to show off their mahi/work to their parents and whanau so we are encouraging parents to include their child(ren) in the reports hui.

# Miniball

Notices have been sent home today to those (Year 4-6) children who showed an interest in playing.

Games will be played on a Wednesday afternoon between 3:30-6:30pm. Games will run for ten weeks and will be played at the Westpac Events Centre in Morrinsville.

The number of teams we enter will be dependent on how many offers of team managers we have. As usual we cannot do this without your kind offers of help.

The cost is \$25 per player - due before the first game in Week 1 next term.

If your child is interested in playing and did not receive a notice today, extra notices will be available at the office.

## THE AMAZING ADVENTURES OF SUPER STAN Morrinsville Intermediate Production

The intermediate have invited us to see their production THE AMAZING ADVENTURES OF SUPER STAN - it's a great opportunity to see what a production on stage looks like and experience the excitement of going to a live performance. This is written by the same person who wrote our upcoming production.

We can't take everyone so a group of interested students will be heading to see the show on Wednesday the 30<sup>th</sup>. We will be leaving school at 10:15 for an 11 am start (walking).

Children going must have -

Full uniform on.
