Kawanga Responsibility

Virtue - Kawanga : Responsibility

Responsible students do what they are supposed to do and they accept the consequences, of both positive and negative, for their choices.

Doing chores/jobs areas important part in showing responsibility.

Young people can do chores/jobs at home and in the classroom and/or around the school grounds.

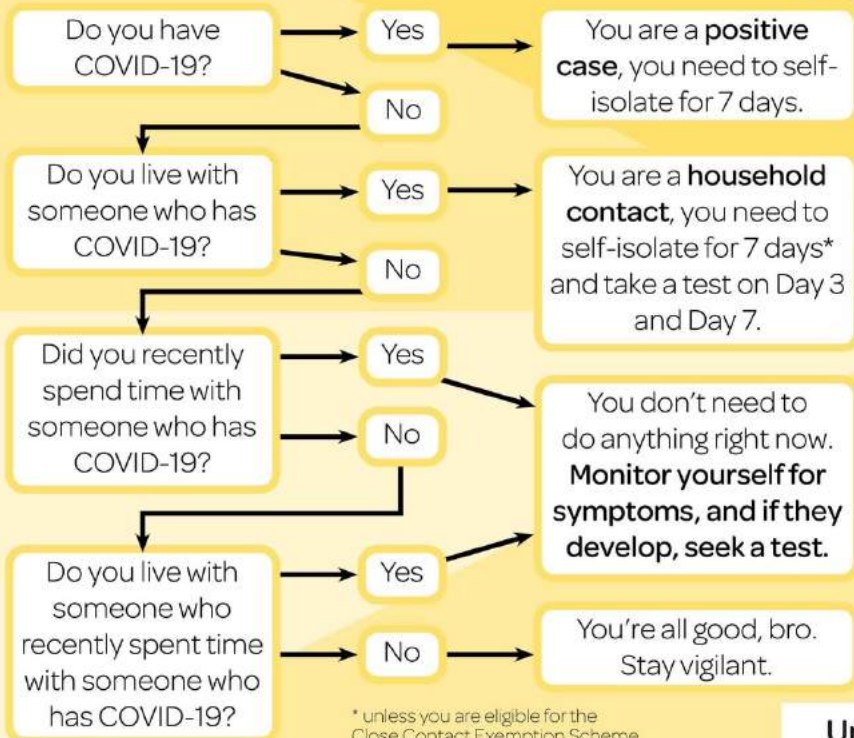

Maybe children could identify with their classmates what chores they do at home and at school.

Swimming Sports

On the day of swimming sports I felt nervous. When I stepped on the very edge of the pool I felt like I would never, ever make it but.... I DID! I was so proud of myself. The time went by. My turn came. The music went "boom, boom." I could hear Clare shouting "big arms and legs." Time ticked by, lunch came. We did more swimming! I think that was the best day of my life.

Swimming Sports

When it was swimming I could feel my heart pounding with excitement. We had to wait for our turn to race but I danced around while we waited. When it was us, I jumped in and did what Clare said so I pushed my arms in the water with my feet kicking and got fourth. I was so proud of myself.
