Enrolment Schemes - Morrinsville

The Ministry of Education has identified that Morrinsville College, Morrinsville Intermediate School, Morrinsville School and David Street School require enrolment zones to be realigned or to be established in order to prevent overcrowding at these schools and has given the school boards notice of this.

After consultation with the school boards, we have developed proposed enrolment schemes for Morrinsville College, Morrinsville Intermediate School, Morrinsville School and David Street School under section 72 of the Education and Training Act 2020.

As part of this process, we are consulting with the school communities and with people living in the area for which the schools are a reasonably convenient school.

The enrolment schemes could affect which school a student will be entitled to enrol in.

We will be holding a community consultation meeting **at Morrinsville College on Wednesday 17 May 2023 at 6.00pm** to provide further information and gather feedback from the community.

A copy of the proposed schemes can be obtained by email from Waikato. EnrolmentSchemes@education.govt.nz or viewed at <https://consultation.education.govt.nz/education/enrolment-schemes-morrinsville>

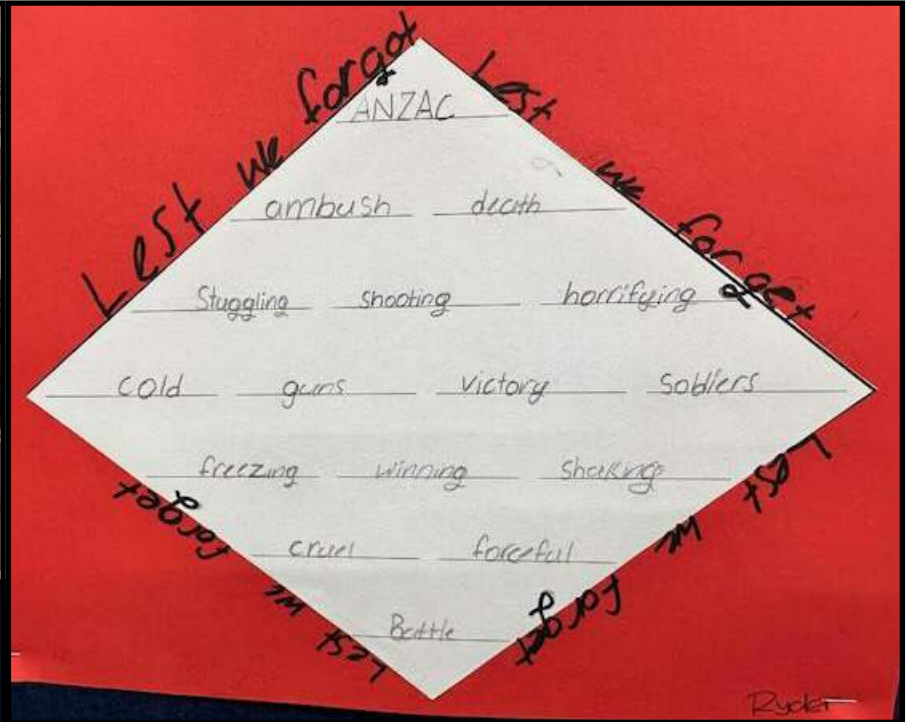

If you have any comments about the proposed enrolment scheme for Morrinsville College, Morrinsville Intermediate School, Morrinsville School and/or David Street School that you would like to be included in the final report about this proposal, please forward them to Waikato. EnrolmentSchemes@education.govt.nz by Friday 7 June 2023.

This week Room 2 created a diamanté poem based on ANZAC. We explored a variety of language and shared our understanding of what it might have been like to experience WW1.
