"We are excited to welcome a school-wide assembly called **NED's Mindset Mission**. The show will be on Tuesday 8th August.

NED's Mindset Mission is a positive behavior programme. A world-class performer takes our students on an interactive educational journey filled with storytelling, illusions, yo-yo tricks and humor. NED's message and memorable friends inspire students, promote academic achievement, and support our school goals."

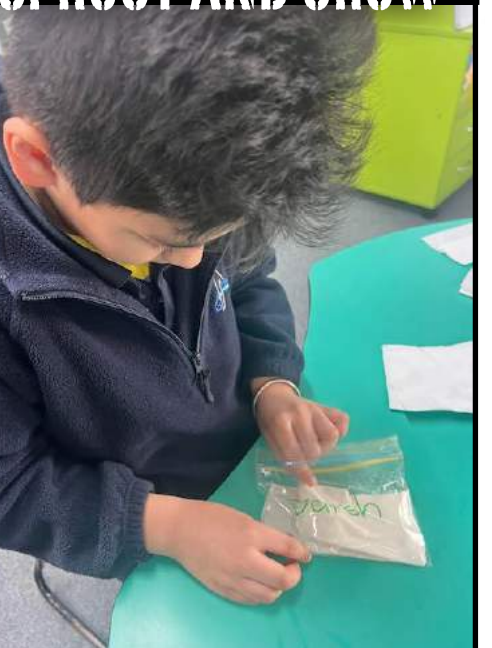

Narrative Writing - Time Travel

I travelled back in time to the past. There were huge volcanoes erupting and dinosaurs running around. A talking bird came to me. He was so helpful and he found me food. Then he gets me weapons. I tell my friend I want to go home. Suddenly a huge T-Rex roars at me. We run in fear, luckily the dinosaurs can't keep up. I keep running as fast as I can. Just as I think I am safe I fall in a lava pit. I open my eyes and see I am back at my computer.

By Claudious-Ray Clifford, Year 5, Room 2.

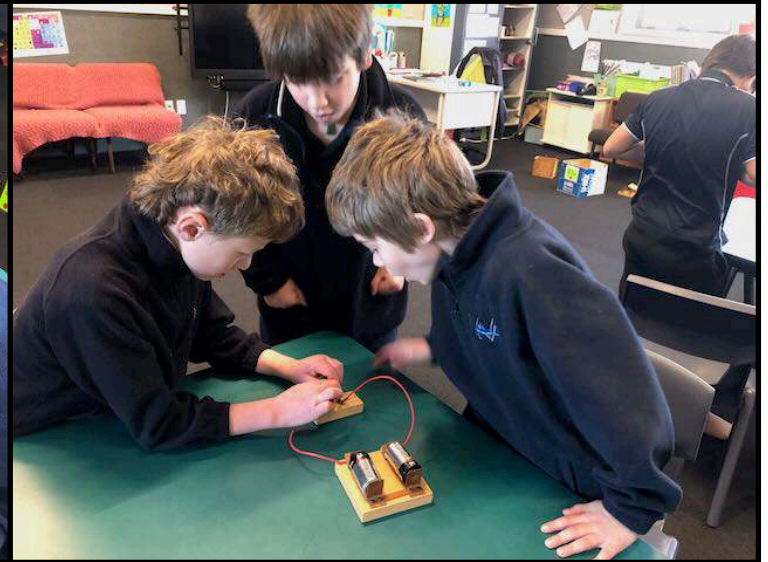

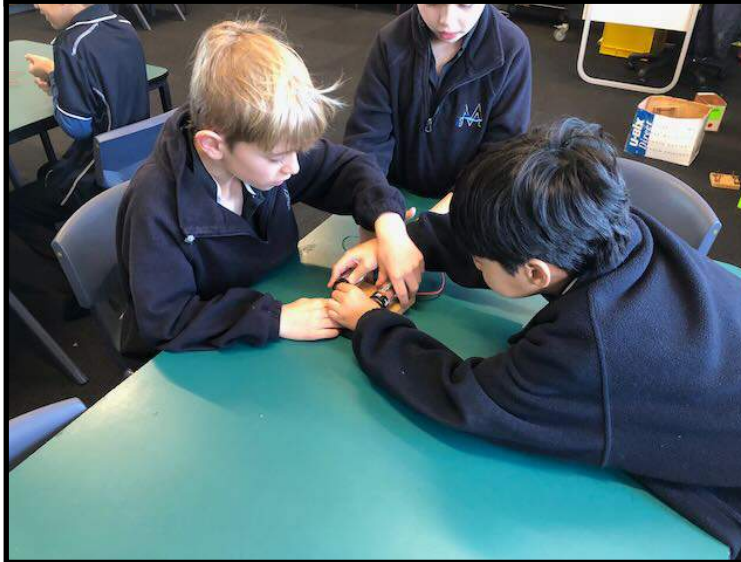

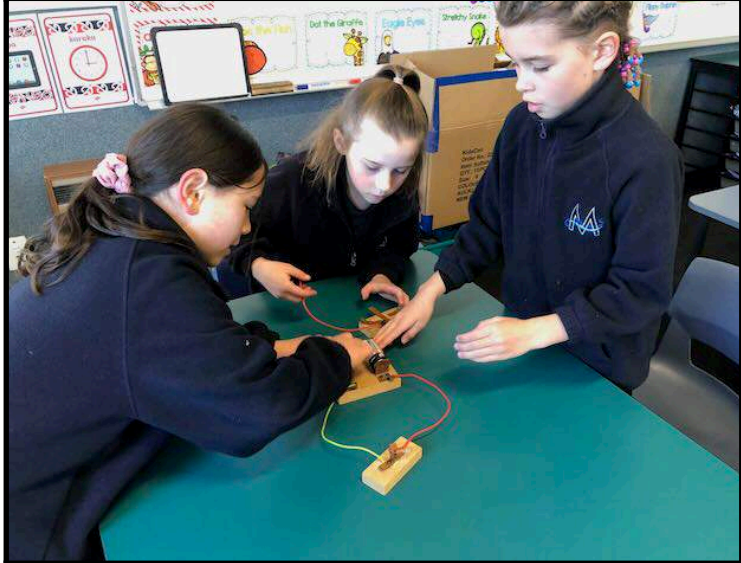

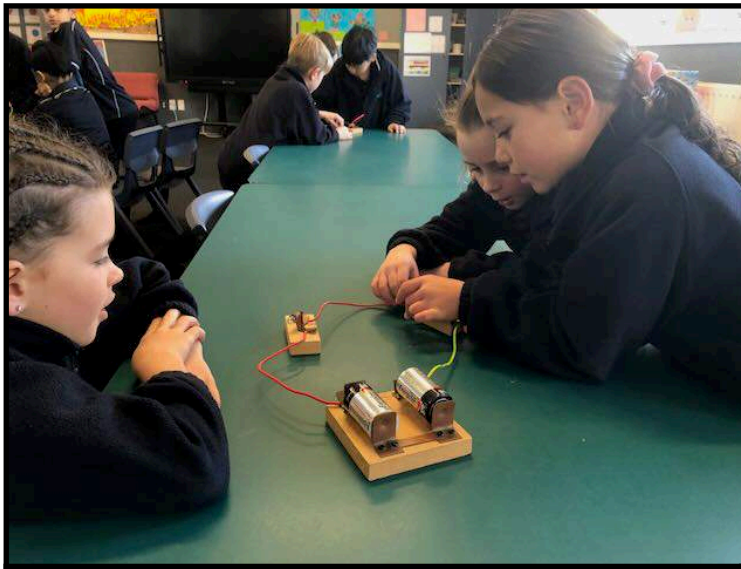

ROOM 8 - SCIENCE - WATCHING THE SEED SPROUT AND GROW

HOCKEY

Hockey kicked off for both our teams this week. Both teams had a great game and each player's skills and confidence improved throughout the game - ka pai tō mahi tamariki!
Thank you to our Team Managers.
