Waharau Camp

The Year 3 children (pictured with their fish traps) are off to camp at the Waharau Outdoor Education Centre tomorrow for 3 days and 2 nights. Our programme includes a bush walk, a visit to the rocky shore, putting fish traps in the stream to catch koura and inanga and also a visit to Tapapakanga Regional Park where we see an early settlers cottage and an ancient pa site. Our main focus is the migratory birds that come to the Miranda Shorebird Centre, in particular the

godwits that fly non-stop from Alaska to Miranda. We finish off with a swim at the Te Aroha hot pools on the way home. Our parent helpers are Heather Briscoe, Chris Elliot, Mudguard Stephenson, Nick Moore, James Noonan and Lycinda Lett. Our cooks are Casey Paraku and Jennelle van der Heyden. Teachers attending are Gay Pert and Tash Hall.
