School Lunches

What's great about our school lunches?

- Children love their school lunches.
- Nutritional and yummy.
- School lunches can be effective in addressing food poverty and an opportunity of improving child health.
- School meals can improve school attendance, behaviour and educational performance.
- Making school lunches universal prevents stigma and encourages uptake.
- Parents are freed from having to prepare lunches. They appreciate having one less task and one less cost and know that their children are well fed with a variety of nutritional food.
- Food scraps are recycled - pigs and unused additional meals are provided to needy families...

A reminder that
our Disability
Carpark is for
Permit holders
only.
