## Hiranga Resilience

### Virtue - Hiranga : Resilience

Resilience is about being able to manage the difficult things which can happen... being able to "bounce back".

We can develop resilience when we develop self confidence and a willingness to give things a go. Asking for help and talking with friends builds one's resilience.

### Mid Year Reporting

This report evening provides an opportunity for parents and whānau to meet with their children's teachers. The children's Mid Year School Report will be shared with families. Parent/Whānau and teachers will be able to comment on the children's progress and achievements over the past two terms.

Teachers will share their views on recent assessment information gathered, which is based on children's current work in relation to the NZ National Curriculum Levels 1-4. Parents will also be provided with a Mid Year written report on their children's progress and achievement.

Children love to show off their mahi/work to their parents and whānau so we are encouraging parents to include their child(ren) in the reports hui.

The notice is being sent home today. Please complete and return asap.
