Mid Year Reporting

This report evening provides an opportunity for parents and whānau to meet with their children's teachers. The children's Mid Year School Report will be shared with families. Parent/Whānau and teachers will be able to comment on the children's progress and achievements over the past two terms.

Teachers will share their views on recent assessment information gathered, which is based on children's current work in relation to the NZ National Curriculum Levels 1-4. Parents will also be provided with a Mid Year written report on their children's progress and achievement.

Children love to show off their mahi/work to their parents and whānau so we are encouraging parents to include their child(ren) in the reports hui.

Notices were sent home last week. Bookings can still be made for tomorrow with some teachers. Please contact the school office.
