why we shouldnt have school uniform

Hey are you tired of wearing boring school uniform EVERY SINGLE DAY? Don't you just get tired of wearing the same thing everyday? In my opinion i think we should have no uniform because some people don't have the money to be buying uniforms.

The uniform is really expensive and mufti can show our bright personality, if i wear mufti i will be as bright as the sun. We have to wear the same thing everyday, unlike mufti you don't always have to. We have to pay a gold coin.

You can get given clothes for free or even op shops. Our uniform is dark and sad but when wearing mufti you can show your true colours. We have to always wear black depressing gloomy uniforms but with mufti we can wear different things everyday.

Again this is why i think that we should not have uniforms because the uniform is to expensive, also we have to wear the same thing everyday and if we wear mufti it will show our true colours.

Should we wear school uniform?

Are you tired of fighting over who has the best outfits? me to! Here is why we should TOTALLY have school uniform!

First of all people say clothes are to expensive. Thats why we should wear mufti. But we can just go to the second hand store and buy our uniform from there! For example people say that second hand clothes are yuck, but we can wash clothes for a reason! By machine or by hand.

Secondly say we go to a big event with LOTS of people, then someone gets lost! For example if we were in mufti we wouldnt be able to find them because they would blend in with everyone else but if we wear school uniform, we would be able to find them because they would look like us!

Lastly if we went to a big event with diffrent schools. Lots of schools wear uniform like we should. For example we need our uniform to support our school and show that were proud to be in this school!

As you can see our uniform might be grey like a sad sky but if we always waer mufti there would be no fun for muftis days or discos!

Why we should wear school uniform

Do you think we need to wear are uniform? Well I do and here are my reasons why.

Firstly what if we went on a field trip or soccer hockey fun day we need to show what school we go to. They could mistake us as a different school. Don't you think that could happen?

Another reason is not everyone is able to buy new clothes everyday. One example is if you wear different clothes everyday but you might think you need to buy new clothes but what if you parents cant buy new clothes. How would you feel if your family coulded be able to buy new clothes?

Most importantly and lastly I don't wanna be bullied for what we wear. An a example is you could be wearing your favourite hoodie but people bully you for it. And if you wear the same things who can bully you?

Again this is my opinion not yours so theses are my reasons why we should wear school uniform .

why we should wear uniform

Do you get excited about mufti day? Well thats why we should wear school uniform, because otherwise mufti clothes wouldnt be as exciting if we were wearing it all the time.

My reason for that is: what if we cant afford any clothes that fit or look nice? We could get bullied for wearing silly ones!

Another reason is that our uniform will represent us when we visit other schools or places, so other people know who we are and where we are from.

For example if we dont wear school uniform people might think "Who is that school and where are they from?". And lastly, I dont want to be bullied because I cant afford any cool clothes, and if we are all wearing the same clothes then no one can bully you.

All of that is why we SHOULD wear school uniform because I dont know about you but I do NOT want to get bullied because I cant afford any clothes and I like that we all look the same.
