Someone said respect is a two way street. In order to gain respect you have to show and give respect. We are all encouraged to show respect for one another and for our environment.

Children are encouraged to respect themselves first and foremost. They have the right to be respected by others. Sometimes this is not the case which in turn gives them a low self esteem.

Being respectful is uplifting and builds positive relationships. Lets support and encourage each other to...

...always be respectful.

COVID-19

If any student or member of a student's household is tested for Covid-19 the following guidelines are recommended by the Ministry of Health to be followed.

- . The tested person must stay in isolation until the test results are received.
- . Any close contacts of the tested person who are displaying symptoms must not attend school.
- . If the result is negative the person must stay away from school until they have been symptom free for 48 hours and have clearance from their Doctor.
- . If the result is positive the Medical Officer of Health will be informed and all necessary steps will be taken by the Ministry of Health.

Please ensure you inform the school if a student or member of a student's household is being tested for Covid-19.

Pool Keys

Now our school pool is closed we request that all pool keys please be returned to school as soon as possible. A Pool Keyholders Survey has been sent home.

Natural leaves

Come falling leaves and land
 Come twirling and swirling onto
 the ground. Red, yellow, orange
 and brown leaves.
 Come float right to the ground.
 Come swishing and whirling.
 Come flying and breaking light
 from the sky. Leaves
 Come gliding and spinning.
 Be the wind's voice.
 Come scattering and
 whirling. Flutter and bustle.
 Come dance to the
 wind's secret beat.
 Be the wind's feet.
 By Riley.
