Resilience Hiranga

Te Oranga. Well Being.

Virtue - Resilience : Hiranga

The term resilience features often in our conversations around achievement. A related term might be tenacious. Resilience is about adapting well in the face of difficulty, tragedy and trauma. Being resilient is about bouncing back! Resilience is nurtured in having caring and supportive relationship. Someone around to reach out and support. Having friends is a great help. In our classrooms we will focus on this virtue over the next few weeks. We all have resilience we just need to practice it.

Staffing

We welcome Mrs Julie Taupo and Mr Lachie Holt to our staff.

We also welcome our two student teachers Tiana Meek (Room 3) and Maddi Stewart (Room 4) who will be with us for 7 weeks. We hope they enjoy their stay with us.

Congratulations to our teacher Miss Rebecca Wilcox who has completed her two year provisional certification and achieved full certification.

St John's programme

Next Monday, Tuesday and Wednesday we have the St John's In Schools programme. Over the three days we will have the Community Educator working across the different levels of the school. She will be focusing on emergencies and how to respond to these. The programme is targeted to the various classroom levels.
