Pukumahi Diligence

Virtue - Pukumahi : Diligence

Diligence is about working hard and doing the best job you possibly can.

If children demonstrate pukumahi they pay attention to what they are doing; they work hard; they don't give up (show resilience/hiranga); are careful when doing their work and show patience.

LUNCHTIME SOUP Tuesday's and Thursday's

Tomorrow, Tuesday we will be providing soup for children who like soup.

In the morning Carol will do a head count of children who would like a mug of hot chicken and vegetable soup. There is no charge for this.

ROBOTICS - ROOM 3

Room 3 are in the process of learning how to build and then code using the LEGO Mindstorm Robots. Coding is computer programming.

Many businesses and industries both in the present and future will or already do rely on computer code, not just the technology sector.

It encourages confidence to experiment, develop problem solving skills and be creative. Seeing the robots begin to move, make sounds and respond to the codes, more often than not causes some shrieks of excitement and hooraying. It is super fun and exciting!

WALLACE ART GALLERY

Our children have been working hard on their art over the past few weeks. This will be on display at the Wallace Art Gallery from Saturday 8th August to Sunday 30th August.

The Gallery is open from 10am-3pm Tuesday's to Sunday's.

The children love sharing their work with you! So please pop down with your child to view their art.

Many thanks to senior students from Morrinsville College who run netball skills in the Dome for our senior children every Friday lunch time.
