Parent Teacher Reporting Meetings

These meetings are scheduled for next Monday 25th (3:30-7pm) and Tuesday 26th (3:30-5:30pm). The appointment forms have been sent out today with the newsletter. **NB: Room 2 is unavailable on these days and will have their meetings on Weds 27th March (3.30 - 7.30pm).** A separate sheet has been sent home with Room 2 children.

We are encouraging parents to include their children as part of the reporting process and attend the meeting. As a part of the reporting, teachers will share their view on your child's progress and achievements, expectations for the period to the mid year reports.

Children like to see their parents taking an interest in what they are doing at school. The meetings are intended to be a positive experience for all concerned. Teachers benefit from parent feedback and comments on children's activities. Likewise we find parents like to know how their child(ren) are getting on at school and what help their child(ren) may need. Finding out what some the next steps in their child(ren)'s learning is very useful to know.

Virtue - Whakaute : Respect

Respect : Whakaute is one of our more significant virtues. It is a foundation virtue for people, adults and children. It is not from one teaching but rather a virtue which permeates the way we relate to ourselves, to others and all living things in our environment. We respect differences amongst ourselves and within our community.

We want our children to grow up respecting themselves, their families and those around them. We also want our children to respect the world they live in and other peoples property and their way of life.

Children catch this message from their life experiences. If they do not experience Whakaute in their daily lives then they will not express it as they grow up. It is such a vital virtue for us all. Lets make it easy for our children to catch on to respect.
